## MG: HR / Executing processes (Order Test)

Posted Thu, 2013-03-21 08:30

### *Matching*

Put the following processes in the correct order for the Executing / Human Resources Group

Subquestion	Correct match	Feedback
Acquire Project Team	Step 1	The team must be acquired first
Develop Team Project	Step 2	In this case, "develop" is a means of improving, as opposed to building, the project team
Manage Project Team	Step 3	In this case, "manage" is the long-term task
Develop Human Resource Plan	None	This step actually falls under the "Planning" Process Group, not "Executing"
