Posted Fri, 2013-03-22 01:33

A Flash card system has been developed for the ITTO's (Inputs, Tools & Techniques, Outputs) material for the PMP Exam.

This is very much in development. Nonetheless, if you are a brave future PM, try these out (and please, give us feedback!)

Click here to tryout the Process Group Flashcard [1]

Click here to try out the detailed ("aka, good for learning") version ITTO Flashcard [2] - *New! (But in development)*

Click here to try out the trimmed-down ("aka better for test prep") version of the ITTO Flashcard [3] - *New! (But in development)*
